

# Certificate

## Indoor Air Comfort Gold

floors@work, floors@home, Herringbone

*Certified Product*

Project Floors GmbH

Max Ernst Strasse 4 50354, Hürth, Germany

*Applicant*

The above product complies with the Indoor Air Comfort Gold specifications, version 9.0 (2023). These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals. Indoor Air Comfort Gold combines all key European and selected global requirements on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances or odour are not combined or evaluated. The following VOC emission requirements are combined and the certified product shows compliance with these VOC emission related limit values:

- |                          |                            |  |  |
|--------------------------|----------------------------|--|--|
| - Belgian VOC regulation | - LEED (ACP)               | - Blue Angel DE-UZ 120                           | - Nordic Swan  |
| - France VOC class A+    | - BREEAM New Construction  | - Austrian Ecolabel UZ 42                        | - Eco Product Norway                                 |
| - Germany (AgBB/ABG)     | - WELL Building            | - Austrian Baubook                               | - SINTEF (Norway)                                    |
| - Italian CAM Edilizia   | - DGNB                     | - M1   | - Cradle to Cradle                                   |
| - EU Taxonomy Regulation | - SKA Rating               | - Danish Indoor Climate Label (Emission Class 1) | - very low emitting products according to EN 16798-1 |
|                          | - French HQE certification | - BVB (Sweden)                                   | - Singapore Green Label                              |
|                          |                            | - Miljöbyggnad (Sweden)                          | - Global GreenTag                                    |
|                          |                            |  | - Declare 2.0  |

Issue date: 09 February 2024

Product type: Resilient Floorings

Validity date: 09 February 2029

Certificate number: IACG-32-01-01-2023

This certificate is valid as specified if regular surveillance and testing is done.

## Appendix to Certificate IACG-32-01-01-2023

Project Floors GmbH

receives the Indoor Air Comfort Gold certificate with validity 09 February 2029

for below product group, including subgroups and individual products as listed:

Product group: floors@work, floors@home, Herringbone

Product type: Resilient Floorings

Products included:

floors@work/80  
floors@work/55  
floors@home/40  
floors@home/30  
floors@home/20  
Herringbone

The products in this group are based on identical or similar recipe and are produced under equivalent conditions. Grouping of the products and inspection of the production process is part of the Indoor Air Comfort Gold certification. A worst-case product, which is representative for the whole group, is being tested frequently.
